# CHRISTMAS AT KIMBERLEY

We saw a fantastic few months of activities, including Chair Yoga, Knitting Club, Museum Visits and Cinema Trips! This Christmas, Kimberley Care Village was filled with festive cheer and warm celebrations. Residents from both Kimberley & Capricorn, families, and staff came together to enjoy a special holiday season. A highlight of the festivities was the Christmas fete, where everyone had a chance to shop for handmade crafts, enjoy delicious treats, and partake in fun activities. The event brought our community closer, spreading joy and creating wonderful memories that will last well into the New Year.

# A MESSAGE FROM GILL @ KCV

On the 10th of December 24 Kimberley Care Village had their Christmas fete, which was well attended, even Father Christmas made an appearance. Residents and staff planned and prepared the event, and we worked in collaboration with the community with local businesses joining in to sell their products. Our overseas staff were selling their homemade cuisine and residents were responsible for running stalls, which were a real success. Our local Councillor Hayden Feetham also attended the fete, and he was very impressed with the event, so much so he wrote a piece on 'Spotted on Long Sutton.'

"This evening, I paid a lovely visit to Kimberley Care Village Christmas fete. Enjoyed speaking with members of the public, couple of residents, stall holders, staff and helpers. I also liked looking around the fete, having a hot drink with a few friends that I saw there."

Thank you to everyone for such a kind warm welcome and it sure was such a nice pleasant Christmassy atmosphere. Glad to see everyone enjoying themselves and getting into the Christmas spirit. Congrats to the organisers on all of your hard work, time and efforts. I am so pleased that I was able to get the time to visit/support and do really look forward to visiting other events here again in the future when possible"

# A MESSAGE FROM RACHAEL @ CAPRICORN

I'm thrilled to share some exciting news about the ongoing growth and development here at Capricorn Cottage. As part of our commitment to providing the highest standard of care, we have been focusing on enhancing our team's skills through the LinCA Clinical Skills Course.

Our dedicated staff have been working hard to upskill and expand their knowledge, ensuring we can continue to offer the very best service to the people we support. The course has not only helped improve individual skill sets but has also fostered a culture of continuous learning and professional development within our team.

Several staff members have successfully completed their training and are now fully qualified to deliver PEG feeds to those who require them, further enhancing the level of care we can provide.

Congratulations for the following for completing the course:

- Ana P
- Janine B
- Alexandra B

## UPDATES

It's been an eventful few months here at Sunnydale, nestled in the heart of Douglas on the Isle of Man! From residents coming together to celebrate at Peter's lively birthday party, to hosting our festive Christmas Fete, there's been no shortage of excitement. We've also been busy with some exciting renovations, all aimed at making our home more comfortable and welcoming for both our residents and visitors.

We're also delighted to welcome Sarah Hallworth as our new Deputy Manager. Having previously excelled in her role as Senior, we're just as excited as our residents to see Sarah thrive in her new position here at Sunnydale.
